The paramount concern of the board and administration is to provide a safe and orderly learning environment in which disruptions to instructional time are kept to a minimum. For safety's sake, access to schools during school hours must be carefully regulated. In the interest of security and minimizing disruptions to the instructional environment, only the parents/guardians on file with the school shall be permitted to make deliveries to or for their student(s) only. Commercial deliveries to or for students are not permitted. Deliveries of flowers or balloons are not permitted, and deliveries of food shall be limited to lunch items only. reported to the PE teacher at the time of the accident. If medical attention is needed, parents will be notified immediately and the correct procedure for your injury will be followed.

There will be no talking when someone is addressing the audience. Assemblies will be held in various locations on the campus of FTCC. This way students will become familiar with the campus and campus life. Students stand and exit quietly when dismissed.

Lockers

All students must purchase a Cumberland Polytechnic High School lock. The cost will be \$7. Homeroom teachers will assign student lockers. No writing, stickers, or insignia are permitted on or in lockers. A lock must be on all lockers assigned at all times. Lockers without locks will be secured by administration. Only one student will be permitted to use a locker. No sharing of lockers is allowed. The school or administration will not be responsible for lost or stolen items in lockers including textbooks. Students must pay for any lost or stolen books. The best practice is not to bring valuable items to school. Student lockers are school property and remain at all times under the control of the school. However, students are expected to assume full responsibility for the security of their lockers. Periodic general inspections of lockers may be conducted by school administration for any reason at any time without notice, without student consent, and without a search warrant. There is a \$2.00 fee to cut a lock off a locker payable to the office before a lock will be cut.

Loitering

Loitering is when students hang around/on campus at anywhere on

school grounds, after the close of the school day without a specific need or supervision. Students who do not leave when instructed to do so will be charged with loitering. Students left after school will/can be taken directly to the FTCC Campus Security Office in the GCB until a parent comes to pick them up. Students are not permitted to loiter on school property after school, before school, or on non-school days. Students are NOT to be on the school campus after 2:45 p.m. unless they are under the direct supervision of a staff member. Students must restrict themselves to the area assigned by the teacher for the particular project involved. Failure to observe this rule may result in loss of privileges. Students staying after school FOR ANY REASON will be instructed to attend a tutoring session or a supervised setting. There will be no after school activities scheduled on any Monday. Consistent and repeated loitering can jeopardize enrollment in CPHS.

Textbooks

FTCC textbooks are issued free of charge to each student. Students will be responsible for paying for any textbooks that are lost, stolen, or damaged. Fines for lost, stolen, or damaged textbooks must be paid in cash. It is mandatory that these fees and fines are paid each year. Final Report Cards will be held each year for any outstanding fines or fees. Diplomas are held for those seniors who owe outstanding fines or fees incurred from the 9th grade to the present. Textbooks for FTCC classes during the regular school year are free for students. Students who choose to sign up for summer classes offered by FTCC will incur an administrative fee and textbook fee.

Parents must fill out a medication form as required by Board Policy (Physician's School Medication Form).

Medication must be in the original container prepared by the pharmacist which includes name, dosage, instructions, and storage information.

Students may not carry medications on their persons unless instructions from the doctor specifically say the student needs the

medication with him/her. Example: Inhalers, bee sting kits.

Students are to take all medication to the front office upon their arrival to school. Students found to be carrying drugs on school property are subject to disciplinary action. Medication will be kept in front office during the day and can be picked up after school.

A log will be kept on all medications dispensed at school.

Health Room

No health room is provided to care for emergency illness or accidents. Students who are ill should go home for medical care. If a student feels ill, his/her teacher will notify the office to contact a parent. The student must remain in the classroom while awaiting a parent to come for him/her. Absolutely no medication, including all over-the-counter medicines, will be given out by school personnel. If the school cannot contact a parent the student will be sent back to class unless the school nurse (when available) diagnoses a serious illness. Please make sure the school has information on file where a parent, guardian, or emergency contact can be reached during school hours. Our nurse is scheduled for one day/week on campus.

Fire Drill and False Fire Alarms

When the fire drill bell sounds (a loud buzz over the FTCC intercom), students should immediately leave the building by the appropriate fire exit route. Students should be quiet and exit in a straight line to the outdoor field. Routes are posted in each room. Students and staff return to the building when the return bell has rung. Senate Bill 621 - Amended G.S. 14-286 To Read As Follows: 14-286 Giving False Alarm; Molesting Fire Alarm System "It shall be unlawful for any person or person to wantonly and willfully give or cause to be given, or to advise, counsel, or aid and abet anyone in giving a false alarm of fire, or to break the glass key protector, or pull the slide arm, or lever of any station or signal box of any fire alarm system, except in the case of fire or (willfully misuse or damage a portable fire extinguisher) or in any way to willfully interfere with, damage, deface, molest, or injure any part or portion of any fire alarm, (fire detection, smoke detection fire extinguishing) system. In order for a student to obtain a Driving Eligibility Certificate, each student must be currently enrolled in school, making adequate progress (passing 6 of 8 classes), and have good attendance (90%). Also, each student must provide to the school Data Manager a copy of his/her birth certificate and Driver's Education Certificate. Driving eligibility is monitored at the end of the first semester and at the end of the year. Issuing all certificates is based on students' grades during these periods of times. Students choosing to dropout of school are in jeopardy of losing their permit or license if issued after December 1, 1997. This rule also applies to students in school and who do not maintain adequate progress. Driver's Education classes will be offered at CPHS during the regular school year. Students wishing to take Driver's Ed during the summer will do so at their home school.

The Guidance Curriculum offers a developmental approach covering specific topics including the following: Orientation to Grade Level; Self-Awareness Concepts; Social Issues; Decision-Making Skills; and Career-Job Ready Skills.

Parents are an important component of the learning process and progress of their children and are encouraged to meet with their child's counselor early in the school year. It is especially important to have this meeting at the beginning of the freshman and senior years of high school.

Schedule and Schedule Changes

Students are to follow the schedule of classes assigned to them. These are the reasons for which schedule changes may be granted:

1. Incorrect academic placement (for example, a student enrolled in Math III and should be in Math II or a senior who needs a class to meet graduation requirements).
2. Administrative purposes (for example, to balance class sizes and/or create classes or sections).
3. All other changes will be at the discretion of the school

counselor/FTCC Liaison.

4. Students who drop FTCC classes after the first two weeks will receive a failing grade for that course on their high school transcripts.

End-of-Course/NC Final Exam Testing

The North Carolina End-of-Course/NC Final Exam Tests are high school subject area tests designed to provide information about each student's performance relative to that of other students in North Carolina. Goals and objectives for tests are specified in the Standard Course of Study. The State Board of Education requires that individual student scores on end-of-course/NC Final Exam tests become part of the student's permanent record and high school transcript. All final exams count as 20% of the student's final grade.

Report Cards / Progress Reports

Students receive computerized progress reports and report cards each 4 ½-week period. Students are responsible for getting this information to their parents. The students and parents should always check progress reports and report cards very carefully. Students and parents must check FTCC grades weekly through Blackboard. Report any errors immediately to the teacher concerned. Any grade issued an Incomplete (I) through FTCC will be designated as F on the high school report card until FTCC issues a grade change. **Only Final Report Cards will be mailed home. Final Report Cards will be held at the end of the year for any students who owe fines/fees.**

Attendance Policy

General Requirements

The Cumberland County Board of Education believes that **regular** and **punctual** attendance at school is imperative for educational success. Students are expected to be in school each day unless ill or unable to attend due to an unavoidable reason. The Board further believes that there is no substitute for the uninterrupted personal contact between

teachers and students in the classroom environment where learning experiences are carefully planned and taught by teachers.

Cumberland County Schools has high expectations for student achievement. In order for students to meet these expectations it is critical that we protect instructional time. Repeated absences and check in/out will accrue and can result in possible negative consequences such as lower grades, retention, visit from truancy personnel, notice to DSS and/or law enforcement, and court action.

The primary responsibility for school attendance rests with students and parents. Schools, however, have the responsibility for properly recording absenteeism and tardiness, notifying parents when needed, and discouraging excessive absences in accordance with state law. The Board seeks the full cooperation from parents in promoting good attendance punctuality. In particular:

1. Medical and dental appointments should be scheduled after school hours except in cases of emergency.
2. Family vacations should be taken during school vacation and recess periods. No student will be excused from regular school to take private lessons in music, art, dance, or any other area without prior approval of the superintendent's office.

Required Attendance

NC General Statute 115C-378 requires that students attend school 180 days, unless absence is unavoidable. Compulsory Attendance Laws for the State of NC apply. In order to be considered in attendance, a student must be present in the school for the school day or at a place other than the school with the approval of the appropriate school official for the purpose of attending a school activity which has been officially authorized under the policies of the Board of Education. Such activities may include field trips, athletic contest, student conventions, musical festivals, or any similar approved activity. A student shall be present at least one-half of the school instructional day in order to be recorded present for the day (210 minutes).

For high schools, an excessive number of absences in classes are more than nine (9) per term per class period. Any student who incurs more than 9 absences per term may be in jeopardy of failing the class due to attendance. Students who are absent ten consecutive days without notifying the school will be dropped from the roll. Students under 16 will be turned over to the district attendance office. Parents must accompany

student when re-enrolling.

Lawful, Excused Absences

Pursuant to state law and the rules and regulations of the NC Department of Public Instruction, the following shall constitute a lawful excused absence, provided satisfactory evidence is given to the appropriate official.

1. Illness or injury
2. Quarantine
3. Death in the immediate family

A note must be turned in to the front office explaining the absence with parent's signature and phone number immediately upon return to school. Note may be verified.

There are no excused absences for FTCC classes. In the case of an FTCC class absence, you must communicate with your FTCC instructor via Blackboard and through FTCC e-mail. Failure to do so can jeopardize continued enrollment in the FTCC course.

Unexcused Absences

Absences for reasons other than those listed above may be deemed unexcused. Unexcused absences include, but are not limited to, missing the bus, oversleeping, vacation, inclement weather, babysitting, working at a location other than the home or farm, suspension, etc.

Assignments for Absentees

Upon returning to school, it is the responsibility of the student to contact each teacher for work missed during the absence. The work must be completed according to the attendance policy and the teacher's requirements.

Make-up Work

Make-up work will be available when a student is absent. Make-up work may be specific material missed by a student or it may be of a reinforcement or enrichment nature. Responsibility for completing make-up work rests with the student. Make-up work does not have to be the same as the work that was missed. Completed make-up work shall be done within five (5) days of the student's return to school.

Detention

Detention can only be assigned to a student by a teacher or an administrator and will be in writing. It will not be served at the discretion of the student. Detention is a closed setting under the supervision of authorized school personnel for students who violate the established school rules. Students will be granted at least 24 hours to make the necessary arrangements.

Checking Into School

Any student checking in after the start of the school day must report to the front office. The tardiness is excused only when students are signed in by their parents. When students check themselves in at the front desk, the following disciplinary procedures will be followed. A note from a doctor may be submitted in lieu of parent signature if a student had an appointment for that morning. Excessive unexcused check-ins may result in disciplinary action and jeopardize enrollment at CPHS.

Checking Out of School

1. Students must be present for one-half of a regular school day in order to be eligible to participate in any school activity or event.
2. Students must be checked out of school by a parent/guardian. Students may not check themselves out of school, regardless of grade level.

Tardiness to Class

Being punctual is a positive work habit. Each teacher will define late to class for each individual class. Being absent for more than half a class will be considered an absence. Teachers reserve the right to address the first three (3) tardies. The fourth (4) tardy will result in a referral to an administrator.

Skipping Class or School

Truancy or skipping class is defined as not attending a particular class or classes without official permission. Skipping class may result in suspension from school. Skipping school may involve one or more of the following:

1. Unauthorized absences from one or more classes during the school day.
2. Leaving the school campus for any reason any time to include

- lunch without authorization and/or properly signing out.
3. Absence from school without parental permission and/or knowledge.
 4. Found in hallway without pass can be considered skipping if student is 10 minutes late.

Parent Notification

When a student is unlawfully absent from a class the third (3rd) time, the principal or his/her designee shall notify the parent, guardian, or custodian of the student's absence. The parent/guardian will again be notified when a student is unlawfully absent from class the sixth (6th) time and (10th) time.

Disabilities Act

No otherwise qualified individual with a disability shall, solely by reason of his or her disability, be excluded from participation in, be denied the benefits of, or be subject to discrimination from any program or activity of the school. Qualified disabled students are entitled to a free appropriate public education. Disabled persons who believe they have been subjected to discrimination on the basis of disability may appeal to the person in the school designated to hear said grievances. If still unresolved, grievances may then be appealed to the school district ADA/Section 504 Coordinator:
