Canvas

Parents: <https://www.youtube.com/watch?v=t-5sWZODhY8> Parent accounts will not be available until after the first week of school or when courses are published. Remember, parents and students cannot see anything until after courses are active and published. Teachers need time to make sure they are ready for parents to join.

Student Canvas Dashboard Orientations- These videos have already been added to all student Canvas courses so they have a video available as needed. Feel free to share.

- Elementary/Middle Video: Thanks to Ashley Peterson from Long Hill! This video is in each of the elementary and middle school courses for students.

PowerSchool Parent Portal

PowerSchool Parent Portal- if you share, please make sure you state that schools will make special arrangements, in lieu of the id requirement, to provide letters with access codes during Plan C for parents who do not have an account. Data Managers can generate letters for parents without parent portal accounts. Letter can only be mailed to the address on file in PowerSchool. PowerSchool is the authoritative source for grades and attendance in CCS.
